# India machine Tools Show

The biennial trade show of machine tools, automation and engineering machinery is regularly held in the Indian capital and focuses on new innovative technologies, products and services.

It serves diverse manufacturing industries as they race to meet the burgeoning domestic and international demand as India fast forwards to become the 3rd largest economy and a reliable manufacturing hub integral to the global supply chain.

It brings together industry leaders from all over India and abroad including a large number of MSMEs and Startups that embody the genius and enterprise of India. Supporting programs like Buyer-Seller Meets and Seminars/Conference foster collaboration, networking and knowledge sharing.

## Exhibitor Categories

- Machine Tools – Cutting & Forming
- Laser Machineries & Equipment
- Additive Manufacturing - 3D Printing
- Precision Tools
- Power Tools & Hand Tools
- Robotics & Automation
- Tube & Pipe Technology
- Industrial Safety
- Industrial Supplies
- Newly Launched Products & Technology
- Electricals & Electronics
- Machine Tools Accessories
- Brass Parts
- Industrial Lubricants
- Pumps & Valves
- Material Handling Equipment
- ITES (Softwares, CAD-CAM)
- Hydraulics & Pneumatics
- Air Compressor
- Testing & Measuring Instruments
- Welding Equipment & Consumables
- Casting & Forging Machineries
- Gears, Motors & Drives
- Surface Finishing & Blasting

## Special Focus

- Laser & Welding Technology
- Castings & Foundries
- Brass Parts

## Exclusive Display

- Robotics, Automation & Metrology

## Visiting Industries

- Agriculture and Allied Industries
- Automobiles & Auto Components
- Aviation & Aerospace
- Biotechnology
- Chemicals
- Consumer Durables
- Defence Manufacturing
- Education and Training
- Electronics System Design & Manufacturing
- Engineering and Capital Goods
- Financial Services
- Healthcare
- Infrastructure, Construction & Cement

- Science and Technology
- Services
- Steel
- Telecommunications
- Textiles

## Iconic New Venue

The tenth edition of the INDIA MACHINE TOOLS SHOW is being held at the iconic venue being developed as a smart city project by the Government of India to represent an 'Atmanirbhar Bharat' or 'self-reliant India' on its way to be a 'Viksit Bharat' or 'developed India' by 2047!

Yashobhoomi (lit. Land of Fame) also called IICC (India International Convention & Expo Centre) upon completion will be India's largest convention and exhibition centre. With a total built-up area of 1 million square meters, it is being developed as a multipurpose venue including hotel rooms, office spaces, shopping and entertainment.

**10 km** from Delhi International Airport  
**25 km** from the city centre of New Delhi

- The IICC Metro station within the premises (internal access to IICC from the airport)
- Well-connected by roads
- Modern in-built parking facilities and a geographical location with no traffic (VIP Residences near by)
- Ample accommodation in Aerocity near the airport and in Gurgaon within 10-15-minute driving distance

## Supporting Partners

**Shri Amarjeet Singh Sagar**

Director

Ludhiana Machine Tool Manufacturers Association

We are proud to have been continuously associated with INDIA MACHINE TOOLS SHOW over the past two decades since its first edition.

The exhibition showcases world-class manufacturing technology from established industry leaders as well as enterprising MSMEs. This has greatly helped our members not only in expanding their markets but also in their innovation and indigenization.

Over the years, the trade show has grown remarkably in terms of participation and business outcomes. We are sure this 10th edition will surpass previous records.

**Shri Yogin Chhaniara**

President

Machine Tools Manufacturers Association, Rajkot

It gives us immense pleasure to support the 10th edition of INDIA MACHINE TOOLS SHOW just as we have supported most flagship exhibitions of K and D Communication Limited for the past three decades.

Held biennially in the Indian capital since two decades, India Machine Tools Show is a trusted brand showcasing cutting edge manufacturing technology from industry leaders as well as Indian MSMEs.

In the present context of daily upgrade of technology, such reliable update on the latest advancements is invaluable and serves as a powerful catalyst to change and progress.

We are confident the exhibition will surpass its previous records of success.

**Shri Jignesh Chumakia**

Vice President

LASER INDUSTRIES ASSOCIATION OF INDIA

It's been 5 years of association with INDIA MACHINE TOOLS SHOW, since foundation of LASER INDUSTRIES ASSOCIATION OF INDIA.

Every edition of IMTOS delivered different experience of market exploration to our members, And helped us to built global brand.

In today's rapidly evolving machinery industry, the traditional concept of passive observation is being revolutionized to foster dynamic engagement. As visitor participation becomes the driving force behind exhibition experiences, IMTOS fulfilled expectations of visitors.

**Mr. Mohan Shandilya**, Sales Manager  
BODOR LASER INDIA PVT LTD

"...over the last three days we have booked around 15 orders and have got very good inquiries also!..."
