17th **ENGIMACH**

UNLEASHING TOMORROW'S MANUFACTURING MARVELS

Step into the future of manufacturing where technology & innovation reign supreme. Witness diverse industries converge and collaborate. 17th ENGIMACH invites you to be a part of the next stage of evolution in manufacturing.

As India eases into the role of a top global economy and manufacturing power, it will inevitably lead in technology. The ongoing transformation is fast and dramatic. The 17th edition of India's #1 Technology Showcase will provide the latest update as well as catalyze the progress.

The 5-day ENGIMACH is noted for its scale and quality – from the innovations on display and the attendance to the interactions and the business outcomes. The 17th edition is primed to outclass previous editions.

The 17th ENGIMACH will not just be a trade show but a testament to the limitless potential of the Indian industry to lead the nation towards an era of great economic achievement.

Mr. Hiren Jadeja
President - Marketing
JYOTI CNC AUTOMATION LIMITED

Since the second edition we have been participating in ENGIMACH with the state-of-art technology products from metal cutting space. Since today is the first day it is not suitable to comment but considering today's crowd it seems it would be a game changer event for us! As far as the footfalls are concerned, lots of our old customers as well as the new customers they are visiting us. Surely, 100% percent we will be there in the next edition of ENGIMACH! ”

Mr. Indraneel Bhattacharya
Vice President
– Sales & Marketing
LAKSHMI MACHINE WORKS LIMITED

We are there from the first ENGIMACH and we opened our account in Gujarat with ENGIMACH exhibition! The first order came from there. Before that, we were not present in Gujarat! India is going to become the world factory and manufacturing is at a high uptrend. To support that, Machine Tools companies have come up in a big way so that now we can replace the imports which used to be very high! If you take the product we manufacture, these are machines which are now mostly procured by Indians from Indian companies. Regarding the next edition of ENGIMACH 2025, we will come back 100% because it is very important for us to launch new products in this market. We do get a lot of leverage from this exhibition and will continue to come. ”

Mr. Sagar Kheradiya
AGM Sales (Gujarat)
YAMAZAKI MAZAK INDIA PRIVATE LIMITED

Mazak is a Japanese company with H.Q. in Pune and an office in Gujarat also. Our VC – EZ which we were earlier dispatching from Japan and Singapore, we are now manufacturing in India at our Pune plant! We are thankful to ENGIMACH for giving us this platform and our experience is very good and since many years we are participating in ENGIMACH. ”

Mr. Nithin M Naidu
General Manager, India
INDEX MACHINE TOOLS INDIA PVT. LTD.

ENGIMACH is very well known to me for quite some years not only from my present organization but also from my previous organization and we are very happy that we are here displaying our machines here. We are thankful to ENGIMACH for providing us this platform to display our products, to show the strengths of our machines and the technology that we offer to customers. I personally feel that the whole event would be quite successful and this will be quite fruitful not only for us but to everybody here. We will definitely be back here in 2025 and I think we would display more machines than what we have today here. ”

Mr. Rakesh Patel
Regional Sales Manager
– Gujarat
EMAG INDIA PRIVATE LIMITED

Mainly we are focusing on automotive and certain non-automotive products like aerospace and hydraulics. For Indian growth definitely ENGIMACH is contributing and EMAG can contribute by giving turnkey solutions to local customers. For example, we have some good solutions for two-wheeler and four wheeler electric vehicles. ”

Ms. Ashwini M. Hugar
Sr. Executive – Marketing,
Sales Coordination &
Administration
EMAG INDIA PRIVATE LIMITED

It is a good experience. There has been a good response from the customers, we are getting good new prospective contacts and we are generating good quality leads from ENGIMACH. So we will definitely participate in the upcoming ENGIMACH in 2025. ”

Mr. Gautam Goswami
Deputy General Manager
– Gujarat
PHILLIPS MACHINE TOOLS INDIA PVT. LTD.

We are associated with ENGIMACH since last 25 years. We have always showcased new technologies and obtained new customers here. So the overall experience of ENGIMACH is always good. Yes! We prefer ENGIMACH always first! ”

Pioneering a new future,
with you all

YAMAZZEN

Mr. Praveen Daddimani
Senior Regional Manager
– Service
YAMAZZEN MACHINERY & TOOLS
INDIA PRIVATE LIMITED

We have participated in ENGIMACH four times and we have been much encouraged. We started our business in Gujarat from the ENGIMACH edition of 2017 and by now almost 300 machines have been installed! We definitely see a lot of new customers in ENGIMACH who are here to see different new technologies helpful for their products. Yes definitely we would like to participate again in ENGIMACH because of this very good performance of bringing new customers.

JANATICS
Pneumatic

Mr. Amish Bhavsar
General Manager – Marketing
JANATICS INDIA PRIVATE LIMITED

We are participating for the 16th time this 16th ENGIMACH! It was surprising that there was heavy rush in the morning session of Day 1 itself! This is a very good platform where all the customers are coming over here and we can generate very good revenue. So, as far as the economy is growing, platform like ENGIMACH definitely helps us to grow further. Regarding my participation in the next edition of ENGIMACH in 2025, I would like to book it today! ”

“

LASER
TECHNOLOGIES™
Mr. Rakesh Agarwal
 Managing Director

LASER TECHNOLOGIES PVT. LTD.

This is our 3rd time participating in ENGIMACH and everytime we are growing so we are increasing the booth size. I believe this kind of exhibition is playing a pivotal role in the growth of Indian manufacturing sector because customers can see what kind of technologies are there in the market which they can use in their manufacturing to increase the production, to increase the quality and be more competitive on the global market. Regarding participating in the next edition of ENGIMACH, of course, we will be there. As I told you, may be with 50 to 80% more space! ”

“

PROARC
 For the non-stop you

Mr. Kamlesh Thakur
 Director

PRO-ARC WELDING & CUTTING SYSTEMS PRIVATE LIMITED

We are participating for the 4th time and our experience has been good. We are happy to see it is growing with more and more participants. We see now that this is as big an event as IMTEX in Bangalore or any other exhibition in India! Our team in Gujarat is very excited about participating in every exhibition of ENGIMACH which is coming up in future. ”

“

MAX PHOTONICS

Mr. Himanshu Prajapati

Sales Head - India

MAXPHOTONICS COMPANY LIMITED

Although we are first time participating in ENGIMACH, we had previously participated in INDIA MACHINE TOOLS SHOW (IMTOS) and our experience there was very good. We are getting very good business in this exhibition also. So we are very confident we will come again in ENGIMACH 2025 and also participate in other exhibitions of the same organizers. ”

“

ISGEC
Mr. Pravin Manchanda

Head, Bawal Works

ISGEC HEAVY ENGINEERING LIMITED

Our experience this year is really good at the ENGIMACH and we have noticed that the footfall is really good. ENGIMACH gives the Indian manufacturer the platform where we introduce and display our products to the inner as well as the outer world. Depending on the market situation and the exports of the metal forming world we would like to participate in 2025. ”

“

ETA
HYDRAULICS
 Forming Technology

Mr. Vishal Pratap
Manager Marketing
(Machine Division)

ELECTROPNEUMATICS AND HYDRAULICS (I) PVT. LTD

Our key customers are from the Automotive Sector, Furniture Industry, Defence Segment, Railways, Steel & Chemical Plants, White Goods and Transmission Tower Line Equipment. We are associated with ENGIMACH since more than 10 years and it's a good experience to be here. We have got a good footfall of regional customers, pan-India and overseas as well. We would like to meet our existing customers as well as new customers so we will definitely be participating in next ENGIMACH as well. ”

“

ABB

Mr. Sheetal Kalavade,
Sales Director, Drives & Motors,
Cluster Head-Mumbai & Gujarat
ABB INDIA LIMITED

We are participating for the first time. The response is wonderful and we feel that this will be a good success for us. Definitely to reach out to many customers in various segments where our footprint is not there I think such exhibitions will definitely provide a good platform for us. I personally feel this is going to be a good platform for us when I look at the turnout of various customers. The quality of customers and the seriousness from the customers is wonderful. So definitely we look forward to participate in ENGIMACH during the next edition.”

“

Smarter. Greener. Together.

Mr. Jigar Gajjar
Regional Manager, Gujarat
DELTA ELECTRONICS INDIA PVT. LTD.

In ENGIMACH, we are participating since 16 years. Here we have displayed few new and recently launched products like VP 3000 for Pump Application and CNC Controller. Compared to last year, this year the footfall is quite good so we are quite impressed and the arrangement and everything is quite good. This year we are Silver Sponsor and definitely we will have to participate in this exhibition again.”

“

**FANUC
INDIA**

Mr. Yuki Kita
President & CEO
FANUC INDIA PRIVATE LIMITED

This is the 5th time we are participating and I'm very happy to participate. Gujarat state is a very much important state for industry growth in India. Of course, we will come back here to participate in the ENGIMACH show because this show is one of the biggest Machine Tools show and so for us very critical opportunity to introduce our products.”

“

EXOR

Mr. Varun Arora
General Manager
EXOR INDIA PRIVATE LIMITED

This is the 4th or 5th edition in which we are participating and it has been a good show for us. We had some good customers visiting us, some good leads received and hopefully in 5 days we'll have a lot of customers to serve. I think ENGIMACH is providing a platform where lot of customers are meeting suppliers and giving opportunity to companies like us where we can showcase our products and help customers in enhancing their automation and IOT needs. For sure, we'll be here, hopefully in the same location and we'll continue to be participating in ENGIMACH. It's a good show.”
