## Additional Requirements

All additional services are at an extra cost.

- **Additional services like Electricity**, Compressed Air and Non-potable Water (for operation of exhibits only) may be ordered at extra cost by filling up the appropriate requisition form available on event website through EXHIBITOR LOGIN.
- **Additional requirements like Furniture** / Fittings, Hostesses, Security Guards, Tea/Coffee Machine, LCD/LED, Plants etc. may be ordered at extra cost from the Official Agent appointed.

**The deadline for placing order of Additional Requirements is 31-Oct-25.**

## Live Operation of Exhibits

- **Additional Single/Three phase power** for live operation of exhibits during the exhibition will need to be ordered at extra cost through online Requisition only after EXHIBITOR LOGIN on event website.
- Exhibitors will need to contact the **Official Carrier & Forwarding Agent** directly for their requirements of Material Handling, Storage of Empties etc. Only the empaneled agent will be allowed to move goods within the venue.

**Deadline for entry of large exhibits / machinery is 5 pm on 01-Dec-25**

## e-Exhibitor Directory

Information for the exhibitor's entry in this directory will need to be submitted in the appropriate form online in the Exhibitors Area accessed after EXHIBITOR LOGIN on event website.

**The deadline for input regarding e-Exhibitor Directory is 31-Oct-25.**

## Exhibitor Name on Fascia

The Exhibitor's Name in a maximum of 24 characters (including spaces), will be provided on the Fascia, only on one side of the stall and in uniform lettering of 10 cm height.

**The Deadline for input regarding Exhibitor Name on Fascia is 31-Oct-25.**

## Stall Design Guidelines

**Please refer to the Exhibitor Manual for exhaustive guidelines** (much of those listed for convenience under the heading of Bare Space exhibitors is also applicable in the sense they are intended to the Shell Scheme exhibitors)

- All stalls under Shell Scheme will be built by the official stand building contractors and all the stands will be built with standard octanorm system with each white laminated panel of 2.5 m. height and 1 m. width. **The size of the banners/posters on the wall** need to account for the connecting rods between the panels e.g. the poster for a panel of 1 m. width needs to be about 2 inches shorter than 1 m. (one inch on either end of the panel).
- No structure should exceed 8.125 ft. in height. Special prior permission from the Organizer for any display higher than 8.125 ft. should be taken.
- No part of the exhibit should project out of the stand area and nothing should be placed outside the stand. Digging in the floor / ground is prohibited.
- Excess material of stand design will be allowed to be carried out after the stall design with a self-declaration on company's letterhead along with Exit Form.

**Deadline for completion of stall setup before exhibition is 5 pm on 01-Dec-25** i.e. the day before the **BLACK OUT DAY on 02-Dec-25.**

**Deadline for completion of stall dismantling** (starting from 6 pm on the last day of the exhibition i.e. 07-Dec-25) **is 8 am on 08-Dec-25**

**Caution:**

- All items supplied under Shell Scheme package and additional items supplied by our official contractors are only on hire basis and the Exhibitors are required to hand them over back to the contractors at the end of Exhibition in good order and condition. Any damage or loss of these items will have to be compensated for by the Exhibitor to the contractors.
- Painting, wall-papering, nailing/ drilling on wall panels supplied under the Shell Scheme is strictly prohibited. A penalty of Rs. 5000/- will be levied per panel for violation of this rule
- Drilling, grouting on the floor, welding or any support of the semi constructed structure is strictly prohibited. Anyone found guilty will be charged a penalty of Rs. 50,000/-.
