INDIA

THE FASTEST GROWING ECONOMY IN THE WORLD

"Today, India has become a manufacturing powerhouse, and it is because of the youth power of the country that the whole world is looking up to us ... Be it automobiles, textiles, aviation, electronics or defense ... every sector in the country's exports is constantly on the rise."

Narendra Modi, Hon'ble Prime Minister of India

INDIA. THE WORLD'S FASTEST GROWING MANUFACTURING HUB

Every edition of ENGIMACH has marked a milestone — a visible step in India's march toward industrial excellence.

From the first gathering of manufacturers in Gujarat to a global congregation of innovators, ENGIMACH has consistently redefined what a trade show can achieve. Each edition has introduced technologies before their time — CNC machines, automation systems, robotics, and now Industry solutions for the future.

Every hall, every partnership, every handshake has moved the needle forward for Indian manufacturing.

ENGIMACH's story isn't measured by the number of shows — it's measured by the number of industries advanced, factories upgraded, and futures built.

ENGIMACH
EDITION 2027 Redefining Scale

ENGIMACH

BUILT TO LAST. DRIVEN TO LEAD.

For three decades, ENGIMACH has stood as the foundation of India's industrial progress — a platform built on trust, consistency, and performance.

Since its inception in 1997, ENGIMACH has been more than an exhibition — it's been a movement that shaped how industries connect, collaborate, and grow. From the era of conventional machinery to today's intelligent, automated systems, ENGIMACH has evolved with the nation, powering the rise of India's global manufacturing identity.

As we mark 30 years, ENGIMACH celebrates not just its own journey, but the collective journey of the people, companies, and technologies that have made India one of the world's fastest-growing manufacturing economies.

ENGIMACH

17 MILESTONES. ONE CONTINUOUS MOVEMENT.

Every edition of ENGIMACH has marked a milestone — a visible step in India's march toward industrial excellence.

From the first gathering of manufacturers in Gujarat to a global congregation of innovators, ENGIMACH has consistently redefined what a trade show can achieve. Each edition has introduced technologies before their time — CNC machines, automation systems, robotics, and now Industry solutions for the future.

ENGIMACH 2027
HIGHLIGHTS

For 30 years, ENGIMACH has connected the makers, the machines, and the markets that drive India's growth.

In 2027, it builds the strongest bridge yet — a global stage for technology, trade, and transformation. With expanded pavilions, new technology zones, and participation from 25 countries, ENGIMACH 2027 becomes the most complete manufacturing event ever staged in India — designed to move ideas into industry and partnerships into progress.

Because progress doesn't wait. It meets here.

ENGIMACH 2027 WILL BE HOME TO THE MUST-SHOWCASE TECHNOLOGIES OF THE COMING DECADE:

- ARTIFICIAL INTELLIGENCE IN MANUFACTURING
- GREEN AND SUSTAINABLE MANUFACTURING TECH
- NEXT-GEN ROBOTICS AND AUTOMATION
- ENERGY TRANSITION SYSTEMS: EV, HYDROGEN, RENEWABLES.
- ADVANCED MANUFACTURING & ADDITIVE TECHNOLOGIES
- SMART INFRASTRUCTURE & DIGITAL TWIN PLATFORMS

International Participation. Global Opportunities

For governments, industry bodies, and trade councils, ENGIMACH offers a unique opportunity: to represent nation's industrial future on a stage that is already India's largest, and rapidly becoming one of Asia's most influential market.

COMMUNICATION LIMITED

30 YEARS OF NARRATING INDIA'S INDUSTRIAL SUCCESS STORIES

K & D Communication has transformed the exhibition space – creating platforms that drive business, build communities, and accelerate national growth.

Number one is not just a matter of pride. It is a matter of responsibility.

K AND D Communication Ltd. (KDCL) is India's largest trade fair and investment summit organizer, with over three decades of experience and more than 100 international B2B exhibitions to its credit. Its portfolio includes flagship platforms such as ENGIMACH, India Machine Tools Show, Rajkot Machine Tools Show, Pune Machine Tools Show, and ITMACH India.

Renowned for turnkey event management, KDCL has partnered with the Government of India, several state governments, leading trade associations, and global organizers. It was the first Indian organizer to develop an exhibition venue in PPP model with the Government of Gujarat – the Helipad Exhibition Centre (HEC), Gandhinagar, now one of India's premier exhibition hubs.

K and D holds the Guinness World Records title for the most exhibitors at a business exposition, achieved during Vibrant Gujarat Regional Conference, South Gujarat Edition in Surat in 2026.

Dedicated to leveraging trade show platforms for economic growth, KDCL continues to serve as a trusted catalyst for industrial development, connecting businesses, markets, and opportunities worldwide.
