Helipad Exhibition Centre, Gandhinagar, Gujarat

BUILDING BHARAT

TRADE FAIR FOR CONSTRUCTION MACHINERY & VEHICLES,
BUILDING MATERIAL MACHINES & MINING MACHINES

K AND D
COMMUNICATION LIMITED

CONMACH

A Legacy In The Making

India's construction equipment industry is on a strong growth path, driven by large-scale government investment and a clear infrastructure vision. Since the launch of the National Infrastructure Pipeline with an outlay of Rs. 111 trillion, later revised to Rs. 168.93 trillion, the sector has gained unprecedented momentum. Major initiatives such as Bharatmala Pariyojana and the Smart Cities Mission are shaping the foundation of **Viksit Bharat 2047**.

The market is growing at around 8% annually and is projected to reach USD 9.24 billion by 2026 and USD 13.61 billion by 2031. Western India contributes nearly 20% of the national market, with Gujarat emerging as a key growth driver alongside Maharashtra, Tamil Nadu, and Karnataka.

Ahmedabad will host the 2030 Commonwealth Games, marking the centenary edition of the event. This will surely give a big fillip to the construction industry in Gujarat, already powered by large government-led developments, including the Special Investment Regions such as Dholera SIR, the Dholera International Airport, and mega national projects like the Dedicated Freight Corridor and the Delhi Mumbai Industrial Corridor. Rapid urbanization of Tier 2 and Tier 3 cities, expanding industrial activity, and strong acceptance of modern technology are further accelerating demand.

In this evolving landscape, **CONMACH** provides a focused platform for local, national, and international companies. The trade show creates significant business opportunities, especially for companies offering smart Industry 4.0 solutions, hybrid and electric machinery, and rental models.

The exhibition will cover construction machinery and vehicles, mining machinery, building material machinery, and raw materials. Supporting programs will include seminars, demonstration areas, skill development initiatives, and Buyer Seller Meets to encourage meaningful business engagement.

| | | | |
|------------------------------------|---------------------------|---------------------------|--|
| PROJECTIONS for CONMACH | 250+ EXHIBITORS | 25000+ VISITORS | 3000+ cr. ESTIMATED BUSINESS GENERATION |
|------------------------------------|---------------------------|---------------------------|--|

CONMACH brings the industry together to build connections, explore opportunities and support India's infrastructure growth story.

| FRONTIER TECHNOLOGIES IN FOCUS | |
|--|---|
| Task specific machinery | With robotics systems to optimize performance for niche applications |
| IoT-enabled predictive maintenance | With IoT-enabled sensors on machinery components to predict failure / safety issues |
| 3-D printing for on-site spare parts manufacturing | Mobile additive manufacturing units for on-site deployment |
| Alternative fuel-powered machinery | Equipment running on hydrogen, biofuels, EV powertrains and hybrid energy to replace diesel-powered machinery |
| Autonomous constructive vehicles | AI-driven, fully autonomous bulldozers, loaders and haulers for large-scale projects |
| Carbon capture-integrated equipment | Large-scale machinery with onboard carbon capture technology for reduced emissions at source |

INDUSTRY PROFILE

- Contractors
- Developers / Investors / Builders
- Government / Ministers
Public-sector Undertaking
- Mining Companies
- Financial / Leasing Companies
- Manufacturers
- Rental Companies
- Distributors / Retailers
- Associations

Others*

Port Companies | Oil Refineries
Power Plants Architects
Engineering Colleges/institutes;
Consultants | Safety Companies
Spare Parts & Component
Manufacturers Etc.

This list is indicative only.

VISITOR PROFILE

- Management: CMD, CEO, COO, proprietor, owner etc.
- Operators: construction equipment, fleet, cranes
- Construction equipment owners
- Construction machinery manufacturers
- Component manufacturers
- Construction machinery and service providers

DEPARTMENTS

Technical | Plant & Equipment | Marketing
Engineering Operations | Mechanical | Purchase
Vendor Development / Dealer Development
Procurement | Skill Development | Projects

This list is indicative only.

PARTICIPATION COST

| | Standard Booth (per sq. mtr) | Bare Space (per sq. mtr) |
|---|---------------------------------|-----------------------------|
| Early Bird Offer (till 30 th Sept 2027) | ₹ 9000/- | ₹ 8000/- |
| After 30 th Sept 2027 | ₹ 11,500/- | ₹ 10,500/- |

Premium Position Charges:

2 sides open 15% extra
3 sides open 25% extra
4 sides open 30% extra

SHELL SCHEME FACILITIES (per 9 sq.m.) :

Pre-fabricated stall with exhibitor's name on fascia, one table, two chairs, three spotlights, one 5A plug point, three exhibitor badges, 250 invitation cards, one dustbin and carpet flooring.

Participants opting for BARE SPACE will not avail of the Shell Scheme Facilities mentioned above except 250 invitation cards and exhibitor badges commensurate to their area booked. They will be responsible for the design, construction and furnishing of their stall and will be charged extra for electricity.

| ELECTRICITY (EXTRA FACILITIES) | COST |
|-----------------------------------|------------------|
| Before exhibition (single phase) | INR 4,000 per HP |
| During exhibition | INR 4,000 per HP |

| COMPRESSOR (EXTRA FACILITIES) | COST |
|----------------------------------|---------------------------|
| 3 CFM/100 psi | INR 15,000 per connection |
| 6 CFM/100 psi | INR 20,000 per connection |
| 10 CFM/100 psi | INR 25,000 per connection |

Taxes extra as applicable on all rates mentioned

The epitome of excellence

THE ORGANIZER

YOUR PARTNER
IN GROWTH SINCE 1995

K and D Communication Limited (KDCL) is India's largest trade fair and investment summit organizer, with over three decades of experience and more than 100+ international B2B exhibitions to its credit. Its portfolio of acclaimed B2B trade show brands includes ENGIMACH, India Machine Tools Show, Rajkot Machine Tools Show, Pune Machine Tools Show and ITMACH INDIA.

Renowned for turnkey event management, KDCL has partnered with the Government of India, several state governments, leading trade associations, and global organizers. It was the first Indian organizer to develop an exhibition venue in PPP model with the government of Gujarat – the Helipad Exhibition Centre, Gandhinagar, one of India's premier exhibition hubs.

Dedicated to leveraging trade show platforms for economic growth, KDCL continues to serve as a trusted catalyst for industrial development, connecting businesses, markets and opportunities worldwide.
