INDIA MACHINE TOOLS SHOW

11th EDITION • 2027

14 • 15 • 16 • 17 MAY

Yashbhoomi Convention Centre
Dwarka, New Delhi

EMPOWERING INDIA TO MAKE FOR INDIA AND THE WORLD

We are proud to announce that the 11th edition of the biennial INDIA MACHINE TOOLS SHOW will be held in the Indian capital to showcase the latest technology advancements in the tools of production from global and Indian capital goods & engineering industries.

The trade show has over two decades and ten editions, catalysed the progress of Indian manufacturing by showcasing cutting edge manufacturing technology from all over the world. While it has provided an international marketing platform to Indian MSMEs and global

giants, the display of world class technology has spurred indigenization and innovation in India.

As India is on the verge of becoming one of the top three economies of the world, it is also inevitably becoming a global manufacturing hub. While the new National Manufacturing Mission of the government of India emphasizes access to technology for quality manufacturing, the Ministry for Heavy Industries and Public Enterprises has launched SAMARTH Udyog Bharat 4.0 to rapidly transform manufacturing capabilities

with Industry 4.0 practices to increase global competitiveness in the capital goods market. The steady rise in inflow of FDI in Indian manufacturing and setup of Global Capability Centres (GCCs) in the nation is resulting in fast-paced and continuous innovations in manufacturing technology.

In this context, the INDIA MACHINE TOOLS SHOW will once again provide a reliable platform for all stakeholders of Indian manufacturing and industrial progress to meet, take stock and chart the future.

2027 PROJECTIONS

650+
Exhibitors

27+
Countries

50+ Foreign Buyers

Technology For Global Manufacturing

TESTIMONIALS OF EXHIBITORS IN 2025

Cutting | Bending | Welding | Automation

"...we have booked more than 25 orders. The customer footfall was very good..."

Mr. Michael Sui, Director & **Mr. Anshuman Singh**, Sales Head – North India Division

TMNL INDIA PRIVATE LIMITED (HSG LASER CO LTD.)

"...launched a new product and we have already received business worth 5 to 6 Cr..."

Mr. Rahul Sharma, Sales Manager
HINDUSTAN HYDRAULICS PVT. LTD.

"...the flow is quite good. We have been participating since many years..."

Mr. Abhay Mishra, AGM Sales - North & East India
SLTL GROUP

"...Yes. It is a great experience. It is always good to participate in K&D exhibitions..."

Mr. Santosh Shelke, Chief Strategy & Marketing Officer
ENERGY MISSION MACHINERIES (INDIA) LIMITED

"...foreign visitors showed great interest in our portfolio and it was a good connect..."

Mr. Alok Kumar, Regional Sales Manager
MESSER CUTTING SYSTEMS INDIA PVT. LTD.

"...getting new customers and as the exhibition goes on the rush in increasing..."

Mr. Manish Kumar, Branch Head
MEHTA HITECH INDUSTRIES LIMITED

"...we make it a point to participate in INDIA MACHINE TOOLS SHOW..."

Mr. Vidya Shankar Pandey, Sales & Service
RAVIK ENGINEERS PVT. LTD.

"...overall flow of visitors was good..."

Mr. Rahul Kumar Gupta, Manager Sales - North Region
SAHAJANAND TECHNOLOGIES PVT. LTD.

World-Class Technology In India's Leading Machine Tools Hub

RAJKOT - AN EXTRAORDINARY STORY OF ENTERPRISE & ENGINEERING GENIUS

The rise of Rajkot over the last two decades as a major Indian manufacturing hub integral to global supply chains is truly a remarkable story.

The **Rajkot machine tools industry** has played a pivotal role in this rise. From being an importer of technology at the

turn of the century to becoming an exporter of most sophisticated CNC machine tools to advanced countries today, the transformation of the local machine tools industry has been exemplary and a source of inspiration for all other industries in the region. It is a genuine example of 'Make in India' and

becoming 'Atmanirbhar'.

The increasing local availability of advanced machine tools fuelled the growth of all engineering industries in the entire region like manufacture of bearings, diesel engine, auto components, castings & forgings etc.

RAJKOT MACHINE TOOLS SHOW - CATALYZING GROWTH SINCE 2006

Jointly organized by the Machine Tools Manufacturers Association - Rajkot, and K and D Communication Limited, the trade show has over two decades and nine editions, evolved to be not only the region's defining industrial exhibition

but a major international machine tools show. Showcasing both the innovations of the regional industry alongside the technology of global giants, the exhibition has boosted technological advancement through indigenization

and innovation. Thus, the trade show has played an important role in the industrial prosperity of the region.

This tenth edition is primed to outclass the success of all previous editions.

SUCCESS OF 9th RAJKOT MACHINE TOOLS SHOW 2024

430
Exhibitors including
52
foreign companies

12 Countries
Germany, Japan, China, USA, Taiwan,
Korea, Italy, Netherlands, Sweden,
Turkey, UK, India

KOLKATA, WEST BENGAL, INDIA

GATEWAY OF EASTERN INDIA

Bihar, Jharkhand, Chhattisgarh, Odisha,
Assam and Northeast, Central & Northern India
Nepal, Bhutan, Bangladesh, Southeast Asia

EASTERN INDIA – STRONG AS STEEL

Next Manufacturing Power Hub

Manufacturing component of GSVA (at current prices) - Source: MoSPI

	2014-15 (Rs. In lakhs)	2024-25 (Rs. In lakhs)	% increase
West Bengal	7162103	21593780	302
Odisha	4724215	19332886	409
Assam	2092300	5960465	285

Jharkhand, Chhattisgarh and Bihar also nearly doubled their Manufacturing output.

EMPOWERING THE INDUSTRIAL RISE OF EASTERN INDIA

Amid this momentum of manufacturing growth, the **Kolkata Machine Tools Show 2026** will showcase cutting-edge technologies in machine tools and a host of engineering products essential to the manufacturing process. The exhibition will highlight modern manufacturing with **automated systems, smart machines and data driven decision-making**. It will showcase solutions driven by technologies like robotics, 3D printing, AI, IoT, machine learning, blockchain, augmented reality, digital

twins and advanced sensors.

West Bengal contributes one-fifth of the country's net value added in engineering, worth about \$7.1 billion and exports engineering goods valued at \$1.8 billion annually (Source: wbindustries.gov.in).

Odisha is the steel capital of India. It is also the top aluminum producer with large downstream industries. Major industries include Power, Petrochemicals & Chemicals, Food Processing,

Biotechnology & Pharmaceuticals, Textiles & Apparel.

Jharkhand leads in steel, mining, power and cement industries. Automobile and auto components are fast-emerging industries.

Chhattisgarh with rich mineral deposits hosts India's largest steel plant in Bhilai. Other key sectors include power generation, cement, aluminium, and textiles.

SECTOR PROFILE

- Machine Tools Cutting & Forming
- Precision Tools, Power & Hand Tools
- Robotics & Automation
- Electronics & Electricals
- Machine Tools Accessories
- Brass Parts
- Industrial Lubricants
- Pumps & Valves
- Material Handling Equipment
- Forging Machinery
- Foundry Equipment and Supplies
- ITES (Software, CAD-CAM)
- Hydraulics & Pneumatics
- Air compressor
- Testing & Measuring Instruments
- Welding Equipment & Consumables
- Gears, Motors & Drives
- Surface Finishing & Blasting
- Tube & Pipe Technology
- Industrial Safety
- Industrial Supplies
- Newly launched products & technology

VISITOR PROFILE

- Agriculture, Food Processing & Dairy
- Automobiles & Auto Components
- Capital Goods, White & Brown Goods
- Casting & Forging
- Earthmoving Equipment
- Electrical & Electronics
- Infrastructure Sector
- Job Shops
- Material Handling Equipment
- Medical Engineering & Pharma Equipment
- Oil & Gas Equipment
- Plastic Processing
- Process Plant & Machinery
- Railway, Defence & Aerospace
- Steel
- Technical Institutions & R&D Organizations
- Telecom Equipment
- Textile Machinery
- Windmill, Power and Thermal

Free bus service to the venue for registered visitors from Jamshedpur and Dhanbad.

THE SUCCESS OF 17th ENGIMACH 2025

Unveiling the Future of Manufacturing

1020 Total Exhibitors including
72 industry leaders from 22 foreign countries

Australia, Austria, Belgium, Canada, China, Czech Republic, France, Germany, Greece, Hong Kong, Israel, Italy, Japan, Korea, Lithuania, Netherlands, South Korea, Spain, Sweden, Switzerland, UK, and USA

41 International Buyers from 12 foreign countries

Algeria, Benin, Cameroon, Ghana, Kenya, Mali, Rwanda, Tanzania, Togo, Uganda, South Sudan, Sudan
Held **500+ meetings with 131 exhibitors** in International Buyer-Seller Meet

61 Startups of Gujarat

in exclusive **Startup Pavilion of Government of Gujarat**

56 MSME beneficiaries

under PMS Scheme of the **M/o MSME, Government of India**

5,500+ Products

displayed / demonstrated live

1,00,000 sq. m.

Gross Exhibition Area

38+ international delegates

Algeria, Belarus, Bhutan, Botswana, Croatia, Costa Rica, Ethiopia, Ghana, Indonesia, Iran, Kazakhstan, Mozambique, Mauritius, Vietnam, Uzbekistan, Zimbabwe, Niger, Nigeria, Oman, Palestine, South Sudan, Sri Lanka, Tajikistan and Tanzania under the **Indian Technical and Economic Cooperation (ITEC)** initiative of **Ministry of External Affairs, Govt. of India**

79,481 Registered Visitors

including

121 foreign visitors

INR 2,500+ Crores

estimated value of business inquiries generated

Inaugurated by **Shri Harsh Sanghavi**,
Hon'ble Deputy Chief Minister of Gujarat

TESTIMONIALS OF EXHIBITORS @ 17th ENGIMACH 2025

"...exceptional networking event with new and existing clients...we have been participating since 2009 and ENGIMACH has always been a good show for us..."

Maulik Patel, Executive Director,
SAHAJANAND LASER TECHNOLOGY LIMITED

"...we are participating since the inception of ENGIMACH and it is a good platform to showcase our technologies..."

Uendra Panchal, Regional Manager,
JYOTI CNC AUTOMATION LIMITED

"...we are a Japanese multinational into advanced robotics. We have met a lot of new integrators and lots of end-users from different segments like engineering, FMCG, machine tools etc. We have also met lots of existing customers and we were able to renew our bonds with them..."

Digant Shah, Dy. Manager - Sales,
YASKAWA INDIA PRIVATE LIMITED

"...with the size of the exhibition and footfall we are very very happy and look forward to participating again..."

Sumon Mitra, Chief Operating Officer,
CLOOS INDIA WELDING TECHNOLOGY PRIVATE LIMITED

"...we met a lot of new customers. Since we are a new company in the Indian market and coming from Germany with German engineering, the response is quite great..."

Michael Leoffler, Asia | Pacific,
LFD WALZLAGER GMBH / GERMAN GUJARAT BEARING
PRIVATE LIMITED

"...participate in a lot of exhibitions and I personally visit a lot of engineering exhibitions and I must say that this is one of the best...in the top league of the best industrial exhibitions in the country..."

Bhavin B. Mavani, Managing Director - India, Sales Manager - Asia
(South, South East, Middle East),
SHAPE WATERJET PVT. LTD. | KMT WATERJET SYSTEMS

"...ENGIMACH is an important part of our growth story...we have grown together to be national leaders in our respective fields..."

Santosh Shelke, Chief Strategy & Marketing Officer,
ENERGY MISSION MACHINERIES (INDIA) LIMITED
